NEW GAME!

Washington's Lottery is launching a new draw game on **October 23, 2023** – *Cash POP!*
Below are game details for your reference:

- A number is a POP.
- Each POP is \$5. A player may select up to 15 POPs on one ticket.
- Players select a POP(s) from 1 to 15.
- Players can buy a ticket for up to five consecutive drawings. Each draw selected will print on a separate ticket.
- Advance Play is not available for *Cash POP*.
- Players can use a playslip, build a ticket on a vending machine, or let the system Quick Pick for them.
- A random generated prize amount from \$25-\$500 will be printed underneath each POP.
- All *Cash POP* tickets are non-cancellable due to the prize amount being printed on the ticket at the time of purchase.
- Drawings are conducted every night at 8 p.m. Pacific Time. Ticket sales are cut-off every night at 7:45 p.m. and resume at 7:46 p.m.

Sample *Cash POP* Quick Pick tickets for your reference:

CASH POP PLAYSLIP

Playslips will ship to retail locations about one week prior to game launch. There will be a sticker (see image below) that notes game launch date for player use.

NEW GT1200 HOME SCREEN

Adding a new game to the Home Screen allowed Washington's Lottery to make additional updates – see image below for reference. Lottery staff worked with select retailers to develop this new screen layout for ease of use.

This is the screen that will display for manual POP (number) entry:

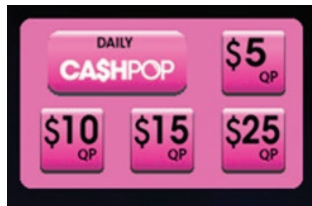

Select players requested POP(s) then press "SEND" to generate ticket for player.

GENERATING A CASH POP TICKET

Players may use a playslip or follow the manual steps below.

You will have Quick Pick options on the GT1200 home screen for 1, 2, 3, and 5 POPs.

This is the GT1200 manual entry screen if a player does not have a playslip, and wants to pick their own POPs and number of draws:

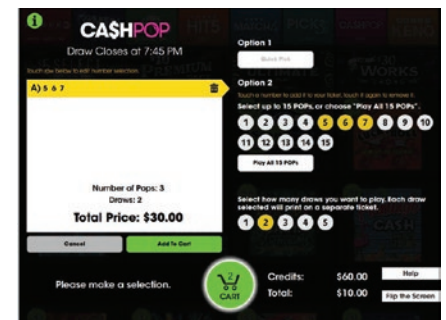

NEW GEMINI TOUCH VENDING MACHINE SCREENS FOR CASH POP

A new feature has been added for Cash POP only that allows the player to build their own ticket(s).

When players select "Build Your Own Ticket" the following screen will appear:
